

2019 Balloon Classic & Fireworks Vendor Policies & Procedures

You are invited to submit an application to participate as a food vendor at the Pro Football Hall of Fame Enshrinement Festival Balloon Classic & Fireworks. The event will be held Friday and Saturday, July 26 & 27. A complete Enshrinement Festival schedule is attached. The events will be held at Kent State University at Stark and Stark State College campuses.

We must stress that the Balloon Classic & Fireworks vendors will be considered based on the following guidelines:

- Applications received will further be considered in accordance with a plan to benefit the overall good of the event. Our selection committee considers, but is not limited to, variety of menu, prior participation, date of application, water and electrical needs, and space availability. The committee reserves the right to accept or reject any application(s) at its sole discretion.
 - Applications must specifically list all items you desire to sell and pricing of each item. You are not permitted to add any food item or change the pricing of any item after you have received your acceptance to participate. The Balloon Classic & Fireworks committee will review your proposal and confirm in writing to you which items will be permitted for sale if you are accepted as a vendor.
